Privacy Policy: Patients

The website privacy policy describes how Specialist Dental Care protects and makes use of the Personal Data (information) you give to us when using our website.

This policy is updated from time to time and the latest update was made on 23rd March 2018.

If you have any questions about this policy, please email info@restorative-dentistry.co.uk or write to Specialist Dental Care, 57a Wimpole Street, W1G 8YP.

What is Personal Data?

Personal Data is information that says something about you as an individual. It would normally include your name and contact details but may also contain more in depth information which you may not want to be disclosed.

Do we hold any of your personal information on our website?

Our website does not ask or store any personal information when visiting our site. However, we do use a tracking system provided by Google to record website activity such as the number of visitors or the most viewed pages which does not once again save any personal identifying information.

Third party websites

Our website may contain links to other websites of similar interest and if you decide to follow any such links, please note that these sites will have their own privacy policies. Please ensure you have read their policies before sharing any personal information as we will not be responsible for any violation of your privacy after you leave our website.
